

SPIRIT OF SNOW

Directed, produced and edited by Dave O'Leske
(46min)

A soulful and enlightening glimpse into backcountry skiing, Spirit of Snow takes us on a journey through skiing's roots—from its origins in Central Asia and Scandinavia to the 10th Mountain Division in WWII to present-day rippers in the back-country. Part historical documentary and part celebration of powder, Spirit of Snow tells a story rich with reverence for backcountry skiing.

Starring Delores LaChapelle, Dick Durrance, Inga Prime, Erik Schultz, Jerry Roberts, and more. With music by Greg Brown, Johann Pachelbel, Widespread Panic, The Dave Matthews Band, and String Cheese Incident.

"A dazzling cinematic celebration of powder skiing." Art Goodtimes, The Telluride Watch
